Experience

Designer / Genie Ventures
May 2017 - Present

Ui, Ux, video editing, exhibition design, editorial design, animation. Involvement in each project from brief / concept to deliverable(s). Working in Agile sprints, being scrum master.

Greatest achievement / The introduction of group wireframing and strategy sessions with product owners, causing designs to align with project goals.

Graphic Designer / Kinorigo
July 2014 - April 2017

Web design, email design, social, print materials; brochures, stationary and exhibition design.

Freelancing
July 2014 - present

Branding, logos, packaging, book design, editorial.

Greatest achievement / Working with Glass Half Full, a not for profit improving women's lives throughout the world through fairtrade goods. I won them over to a new logo design at the beginning of their business venture.

CJ Haynes

When not designing
you'll find me:

Wild camping in the highlands,
painting, yogaing, reading, eating
good food, making something,
walking or having a beer.
